A Word from our Executive Director

*Spring is life
Spring is hope
So is love and
Happiness.*

*Spring renews.
Without spring,
Life is forlorn.
Spring is nostalgia
After bitter storm.
Put spring in your heart*

St. Patrick's Day Happy Hour Celebration

On Wednesday, March 14, residents at the Atrium of Carmichael celebrated an old fashion St. Patrick's Day. Entertainer, Julian LaCalle took us on a tour of Ireland with songs like: My Wild Rose, O' Danny Boy, When Irish Eyes Are Smiling and Sweet Molly Malone. With the wearing of the green, leprechaun hats and green drinks, a great time was had by all.

The Atrium of Carmichael is having

Dear Residents,

As you know by now, we are losing two of our front desk staff, Jason and Shellissa. They are going on to better things, Jason has taken a full time position in the grocery industry and Shellissa and her family will be relocating to a small town on the Oregon coast. They will be missed by all of us. The replacements for these positions are highly qualified and promise to be great additions to the staff. Each has given me permission to inform you of their background information and you should have already received a memo from me. Please welcome them to the Atrium.

On the topic of employees, I would like to boast about the longevity of the staff at The Atrium. More than 50% have worked here for 3 or more years, representing over 136 years of experience. Tom VanDenHeuvel, our full time night security staff has the most longevity, 20 years! Others worth mentioning are: Jeannette with 17 years; Sarnthong, Teodi, Lyuda and Avis with 10 years. We applaud our great staff and the wonderful job they do each day. Congratulations!!!

I would also like to thank the residents on the welcoming committee for the awesome job they do. Moving is stressful at best, as you all know. The more information the new resident has the better, but even more important is the warm welcome they receive from their neighbors. Thank you so much to Mike and Jean Konyuk, Mary Ann Buckley, Ruth Pera and Esther Robinson.

Warmly,
Tona
